## Terms of reference:

- Project Grounding & Monitoring Committee (PGMC) shall strategize the implementation of projects, facilitate allocation of works and assignment of tasks.
- ii. Shall extend mentorship and policy guidance.
- iii. Shall offer expert opinion & conflict resolution, provide stakeholders with guidance on business issues and redressal of issues having insinuations on project implementation.
- iv. Shall encourage advocacy for different initiatives and projects across the sectors.
- v. Shall come up with strategic directions for projects. They will also advise and offer inputs on related subjects.
- vi. PGMC apart from trouble shooting shall be tasked with monitoring duties. They will ensure that the projects meet desired quality and identify any adjustment that may be required.
- vii. Identify and monitor project risks before coming up with ways of eliminating them.
- viii. Monitor project processes, plans and implementation of project(s) at ground level.
- ix. Handhold in implementing & executing the projects on ground.
- x. Awareness & outreach of projects
- xi. Shall identify courses along with course content for undertaking skilling & entrepreneurship development programs for seamless implementation of Holistic Agriculture Development Plan.
- xii. Gauge project implementation and give suggestions, monitor progress of the "Holistic Agriculture Development Plan" and furnish project progress report on biannual basis.
- xiii. Shall suggest convergence of activities under "Holistic Agriculture Development Plan" with activities/interventions under other Schemes and programs
- xiv. Chairmen/vice chairmen of the committee may co-opt progressive farmers in the committee as & when required.
- xv. The committee shall not have any financial powers. Financial powers shall be delegated by approved committees constituted for the purpose and the business rules notified by the UT Government.

By order of Government of Jammu & Kashmir.
